

STATEMENT OF INTENT FOR CONGREGATIONAL COVENANT  
To Vital Ministries Initiative Academy

Church Name:

We, the session of the \_\_\_\_\_ Presbyterian Church, \_\_\_\_\_, desire to enter into a covenant with the Vital Ministries Initiative Academy for 2005. We intend to actively engage in the act of transforming our congregation to revitalize our church.

We commit the participation of our transformation advocate, or in the case they are unable to attend, an alternate, to each workshop of the Academy. The advocate will work with our congregation to apply the lessons learned at the Academy. We, the session, expect the participation of our pastor and other members of session at the Academy.

To fulfill the covenant, the Vital Ministries Initiative Board will designate a liaison to work with our advocate to assist and provide support for putting into practice what is learned at the Academy.

The following signatures represent our commitment to the Academy and participation in its workshops during 2005. Contact information for each person is provided to allow easy communication.
